

# Our vision, objectives and values

**Vision**

Longer healthier lives for all the people in Croydon

Through an ambitious programme of **innovation** and by **working together** with the diverse communities of Croydon and with our partners, we will **use resources wisely** to **transform** healthcare to **help people look after themselves**, and when people do need care they will be able to access **high quality** services

**Objectives**

- 1.1 To commission high quality health care services that are accessible, provide good treatment and achieve good patient outcomes
- 2.1 To reduce the amount of time people spend avoidably in hospital through better and more integrated care in the community, outside of hospital for physical and mental health
- 3.1 To achieve sustainable financial balance by 2020/21
- 4.1 To support local people and stakeholders to have a greater influence on service we commission and support individuals to manage their care
- 5.1 To have all Croydon GP practices actively involved in commissioning services and develop a responsive and learning commissioning organisation

**Values**

*Patient focused*

*Outcome focused*

*Professional*

*Ambitious*

Longer, healthier lives for all the people in Croydon
